Topic 2 AM Equity, Anti-Racism & Anti-Oppression

Host: Steve Griffiths and Lisa Conway

Presenter(s)/Facilitator(s): School Administration and school staff

Description: Staff will explore a new resource to support professional learning in the area of anti-racism, anti-oppression and equity. School teams will explore the variety of opportunities offered to support their own learning in this area.

Topic 3 PM: RCDSB Staff Demographic Data Collection

Host: Amy Johnson

Presenter(s)/Facilitator(s): School Administration and Central Staff

Description: Participation in this data collection is entirely voluntary, but we aim for an 80% participation rate. This thorough data gathering will help us better grasp our organization's dynamics and work towards eliminating systemic barriers outlined in the Ontario Human Rights Code. All data is confidential. No personally identifying information, like your name, will be required. Individual identities will not be disclosed, and data will only be reported in aggregate form. This survey is guided by the Ministry of Education and is in compliance with [Ontario's Anti-Racism Data Standards](#), the [Ontario Human Rights Commission](#), and all relevant legislative requirements set out in the *Education Act*, [MFIPPA](#), the [Canadian Human Rights Act](#) and the [Canadian Charter of Rights and Freedoms](#). The Ontario Human Rights Commission permits and encourages the collection and analysis of identity data for the purposes of:

- identifying and removing systemic barriers;
- preventing discrimination;
- and promoting equity and inclusivity.
